

# NIH SBIR/STTR Funding for Startups

SBIR & STTR experts from the National Institutes of Health will be in Seattle on **August 3<sup>rd</sup>** to discuss the SBIR/STTR program, practical strategies for developing competitive proposals, current funding opportunities and other programs aimed at facilitating the success of grantees.

Following the presentations, **Michael Weingarten and Kory Hallett from the National Cancer Institute (NCI) and Lili Portilla from the National Center for Advancing Translational Sciences (NCATS)** will meet with Life Science Washington Members one-on-one to discuss specific grants opportunities and proposals.

**Don't miss out! There are two ways to participate:**

- 1. REGISTER for the free informational morning workshop. Thursday August 3, 2017 9:30-11:45 AM. Click below or visit: <http://www.lifesciencewa.org/event/NCINCATS>**
- 1. APPLY for an individual meeting with the NCI and/or NCATS (Life Science Washington MEMBERS ONLY): Send a brief (1-2 page) executive summary to [ingrid@lifesciencewa.org](mailto:ingrid@lifesciencewa.org) by 5 PM on July 13<sup>th</sup>. Please indicate with which institution(s) you would like to meet.**

NOT A LIFE SCIENCE WASHINGTON MEMBER? Contact Brian Dershowitz at [brian@lifesciencewa.org](mailto:brian@lifesciencewa.org) to become one!

**Space is extremely limited, so please register today!**
