

# ENGINEERING INNOVATION IN HEALTH 2018 FALL SHOWCASE

Thirteen student teams have been collaborating with clinical partners to define and solve unmet challenges in healthcare. Students will share lightning pitches and 6-7 teams will be down-selected for continuation into Winter & Spring 2019. **Refreshments will be served.**

EIH Teaching Team: Jonathan Posner, Jonathan Liu, Eric Seibel, Soyoung Kang, Keith Chan

**WHEN: THURSDAY, DEC. 6, 4-6 PM**  
**LIGHTNING PITCHES START AT 4:30 PM**  
**WHERE: HUB S. BALLROOM**

Please RSVP at [tinyurl.com/eihealth](https://tinyurl.com/eihealth) or email [eihealth@uw.edu](mailto:eihealth@uw.edu)

## Engineering Innovation in Health teams:

<b>QTc Reader</b> , Valley Medical	<b>Needle Trauma</b> , Providence
<b>Trainer Sound Generation</b> , UW CREST	<b>Surgical Positioning Aid</b> , UW Urology
<b>Respiratory therapy</b> , UW General Surgery	<b>LVAD Blood Pressure Monitor</b> , UW Cardiology
<b>Preventing Guidewire Loss</b> , Seattle Children's	<b>Preventing Pocket Hematoma</b> , UW Cardiology
<b>Echogenic Trainer</b> , UW Internal Medicine	<b>Opioid Management</b> , UW Anesthesiology
<b>Epidural Placement</b> , Seattle Children's	<b>Maintaining Stasis</b> , UW Critical Care
<b>Germicidal Wipe Dispenser</b> , UW Occupational Therapy
