Pricing Policies:

- One hourly rate is assigned for the duration of a visit, which is based on the services requested per research protocol. Actual billing will be in 15 minute increments.
- Cost estimates will include an assigned hourly rate and a good-faith estimate of the length of time to complete the visit.
- In the event of an unanticipated serious adverse event, which would require a dedicated nurse, there will be an additional charge of \$60/hour.
- Floor stock supplies are included in the room charge but non-floor stock supplies will be charged directly to the study budget.
- A minimum of 3.0 hours will be charged when on-call nurses are utilized.
