

Northwest Participant and Clinical Interactions Network Annual Meeting
April 30th, 9:15 am- 1:45 pm (Pacific)

Equity, Diversity, and Inclusion in Clinical Research: Learnings from COVID-19

9:15 AM	TIME TO GET CONNECTED	
9:20 AM	Welcome	<p>Katherine R. Tuttle Executive Director for Research, Providence Health Care; Professor of Medicine, University of Washington; Co-Principal Investigator, Institute of Translational Health Sciences</p>
9:35 AM	<p>Update: Northwest Participant and Clinical Interactions Network</p>	<p>Robert H. Coker Professor of Biology: Clinical Nutrition and Exercise Physiology, University of Alaska Fairbanks; Chair, NW PCI Network Steering Committee, Institute of Translational Health Sciences</p>
9:45 AM	<p>Keynote: Race, Racism, and Health</p>	<p>Keith Norris Professor of Medicine, Division of General Internal Medicine and Health Services Research; Associate Director, Equity, Diversity and Inclusion, Clinical and Translational Science Institute, University of California Los Angeles</p>
10:15 AM	<p>Panel: Race, Racism, and Health: Promoting Research Access and Enhancing Health Equity in Practice</p>	<p>Facilitator: Maxine Hayes Clinical Professor of Pediatrics Emeritus, Schools of Medicine and Public Health, University of Washington</p> <p>Panelists: Eun Jeong Lee President, Asian American Resource and Information Network, Inc. (AARIN)</p> <p>Keith Norris Professor of Medicine, Division of General Internal Medicine and Health Services Research; Associate Director, Equity, Diversity and Inclusion, Clinical and Translational Science Institute, University of California Los Angeles</p> <p>Glenda V. Roberts Director - External Relations and Patient Engagement, Kidney Research Institute, Center for Dialysis Innovation, Department of Medicine, Division of Nephrology, University of Washington</p>

10:45 AM	BREAK	
11:00 AM	COVID-19 Vaccine Research Across the Translational Spectrum	<p>Jay Evans Research Professor, Department of Biomedical and Pharmaceutical Sciences, and Director, Center for Translational Medicine, University of Montana; President and CEO, Inimmune</p>
11:30 AM	<p>Panel: Working Toward Equitable Access to Vaccines and Vaccine Research</p>	<p>Facilitator: Cindi Laukes Director and Chief Operating Officer, Neural Injury Center, University of Montana; Translational Research Navigator, Institute of Translational Health Sciences, University of Washington; Research Affiliate Faculty, Integrated Physiology, University of Montana</p> <p>Panelists: Jay Evans Research Professor, Division of Biological Sciences Director, Center for Translational Medicine, University of Montana; President and CEO, Inimmune</p> <p>Allison Lambert Adult Pulmonary and Critical Care Physician Adult Cystic Fibrosis Program Director Providence Health Care</p> <p>Wayne McCormick William E. Colson Endowed Chair in Gerontology, Professor and Head, Division of Gerontology and Geriatric Medicine, UW Medicine</p> <p>Lara Nelson Nybo Research Participant</p> <p>Jonathan Staben Family Medicine Physician MultiCare Deaconess Hospital</p>
12:00 PM	LUNCH	

<p>12:30 PM</p>	<p>The COVID-19 Pandemic as an Accelerator for Clinical Research</p>	<p><u>Opening Session:</u></p> <p><i>Remote Technologies</i> Jeannine Brant, Director, Collaborative Science and Innovation, Billings Clinic</p> <p><u>Breakout Sessions:</u></p> <p><i>Impact on Participant Experience: COVID-19 Challenges and “Solutions”</i> Allison Lambert, Adult Pulmonary and Critical Care Physician, Adult Cystic Fibrosis Program Director, Providence Health Care</p> <p>Joan Milton, Clinical Research Coordinator, Providence Medical Research Center; Registered Dietitian</p> <p>Gabe Wagenman Research Participant</p> <p><i>Rapid Study Startup</i> Claudia Flores, Clinical Research Manager, Providence Medical Research Center</p> <p><i>Recruitment and Retention: Effect of COVID restrictions on non-COVID-19 related research</i> Ann J. Melvin, Professor of Pediatric Infectious Diseases, Seattle Children’s</p> <p>Small Groups Report Out (1:20-1:30)</p>
<p>1:30 PM</p>	<p>Closing: Evaluation and Acknowledgements</p>	<p>Katherine R. Tuttle Executive Director for Research, Providence Health Care; Professor of Medicine, University of Washington; Co-Principal Investigator, Institute of Translational Health Sciences</p>
<p>1:45 PM</p>	<p>ADJOURN</p>
